Description

3M 9322+ Aura FFP2 Disposable Valved Sanding & Power Tool Respirator (2pk)

For respiratory protection while drilling, sawing, sanding by hand or with an orbital sander use this 3M Aura Disposable Face Respirator.

Assures FFP2 protection against medium level fine dusts and oil or water based mists typically found when working with cement, wood and steel.

Featuring Aura™ 3-panel design, it's engineered to accommodate greater facial movement during speech and includes a high performance filter material to ease breathing.

Heat build-up is reduced inside the respirator by the 3M™ Cool Flow™ Valve removing exhaled air and an adjustable nose clip, curved low profile design and sculpted nose panel ensure a secure seal and snug fit across the face as well as allowing a good field of vision.

EU compliant: CE Mark 0086 (EN 149:2001 + A1:2009 FFP2 NR D) with colour coded 'blue' headband.
