Description

Mackey Stable Butler Lilac

Efficient and easy to use, a labour saving tool that reduces the need for constant bending down and one to have you wondering how you ever managed without!

Ideal for stable, yard, trailer & field, this versatile two piece set includes a durable plastic collection shovel & metal manure fork.

Initially designed for equestrian needs to pick up droppings & tidy loose bedding and hay, it can be equally be put to good use around the garden too, collecting leaves and so forth.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
