Our Price: £24

Description

Hammerite Metal Hammered Paint 750ml

The Metal Hammered Paint is durable, corrosion resistant decorative coating for ferrous and non-ferrous metals, certain plastics and wood. Decorative hammered appearance is smooth to the touch and sheds water well.

Preparation required varies according to the surface to be painted but note that preparation is the key to a successful outcome of any decorating task and it may well take longer than the painting of the area itself.

Also available in Aerosol, 250ml, 2.5L & 5L. Why not click [HERE](#) to check our extensive Paint & Preservatives range.
