## Description

### Exocet Gas Oil Supreme Fuel Additive 5 Litre

Exocet Gas Oil Supreme is an advanced fuel additive designed to benefit both mineral diesel and biodiesel blends. It is a gas oil (BS2869:A2) upgrade product formulated to allow modern diesel engines calibrated on EN590 DERV to run on red diesel.

It prevents deposit formation throughout the fuel delivery system, especially in the injectors and fuel pump, to keep the system clean and running at optimum performance.

It also compensates for some of the deleterious effects of a higher FAME content e.g. tendency for water pick-up.

The product will additionally enhance the performance of older vehicles.

Typical applications are agricultural and horticultural machinery, construction equipment, airport vehicles plus fork lift trucks and should be used when a vehicle lacks power, misfires or 'runs' rough, engine manufacturer recommends and/or excessive smoke observed.

Exocet Gas Oil Supreme (X01258GO): 1 litre treats 2,000 litres & 5 litres treat 10,000 litres of fuel.

Buy online and collect from the Parts Counters in one of our 18 Branches across the SE & East of England.

Please enquire for other sizes: 100ml, 200ml, 500ml, 25ltr & 200ltr (drum).

Could this Exocet Gas Oil Additive be your savour this season? Why not browse more essential products in our **Agricultural** range.
