Description

HAAS Diva Exklusiv Horsehair & Lambswool Body Brush

Ideal for finishing touches, the super-soft HAAS Diva brush is made from lambswool with a soft horsehair border, to provide a glossy shine when grooming your horse.

Removes the last traces of dust and dander to leave a show-ring finish.

Perfect for sensitive or clipped horses!

Innovative design with the bristles & handle incorporated directly into the body for assured longevity, it's extremely comfortable to hold and achieve an optimum hand brace for grooming.

Please note that the lambswool will change in texture after washing, but this does not alter the effectiveness of the brush. It is recommended to use a specialist wool detergent on this brush.

Made in Germany. Size: 200 x 85mm.
