

Echo HC-2320 Petrol Hedgetrimmer

XH-FCHTHC2320

Our Price: £339

Description

ECHO's HC-2320 is an extra long, double blade hedge cutter with a low emission 21.2cc professional grade engine. It features longer, heavy duty blades for long lasting sharpness when tackling taller, larger hedges, and has an effective cutter length of 639mm.

The HC-2320's air filter has easy, tool-free access, while the large vertical filler neck enables easier re-fuelling. Exhaust emissions are reduced with this 21.2cc engine. The double reciprocating blades provide a cleaner cut and the blades are self-sharpening because of the action of the teeth.

21.2cc Premium Grade Echo Engine – Ensures superior performance, durability and reliability

Double Edge Cutting Blade – Laser cut, precision ground, extra long double reciprocating blades for long lasting sharpness and a cleaner cut. 35mm blade pitch means a variety of higher and larger hedges can be tackled

Vertical Fuel Filler Neck – Enables easier re-fuelling

We are an authorised **Echo** dealer and can provide full service back up and maintenance for your Echo equipment.
