Hunter Women's Tall Rear Adjustable Wellington Boots Navy

Perfect for wet weather conditions, this women's Wellington Boot has been at the heart of the Hunter Original brand since its introduction in 1956.

Formed of natural rubber, each pair is hand-cut and assembled on an aluminium last bespoke to Hunter, before being vulcanised for superior protection.

Featuring the Hunter Original tread pattern, and a comfortable polyester lining, this classic matte waterproof boot is a rainy-day necessity.

Equipped with an adjustable gusset for wider calves and a more relaxed shape when the strap is part or fully extended.
