38-00999

Our Price: £79.99

Description

Virkon S Broad Spectrum Virucidal Disinfectant 5kg

Virkon™ S is a science-based biocidal technology for animal health disinfection.

Specifically engineered to provide an effective, flexible and convenient, modern formulated disinfectant solution for commercial livestock facilities, veterinary medical hospitals and farm premises.

Virkon™ S is recognized worldwide as the leading disinfectant of choice for the emergency disease control of Avian Influenza (bird flu). **It is independently proven to be effective against lethal strains of the highly pathogenic Avian Influenza virus.**

Kills PEDv, PRRS and Porcine Rotavirus.

Extremely versatile and can be used for non-porous hard surfaces, agricultural production equipment, vehicles, wheels, boot disinfection and daily farm premise disinfection.
