Description

JFC Circular Floor Feeder Berry

Manufactured from tough impact-resistant polyethylene, this floor feeder is designed specifically for the care and management of horses.

Allows the horse to feed in a natural grazing position which slows feed consumption and reduces irritants.

Great for bucket monsters as built to withstand aggressive horse play while also insuring horse safety.

Features an outer base rim to stabilise & prevent tipping plus an internal compartment which can be filled with sand or water to provide additional weight & stability.

Dimensions: 686 x 229mm.

Capacity 15 Litre / 3.5 Gal.
