Our Price: £145

Description

Sealey RD2500 Oil-Filled Radiator 2500w

Oil-filled radiator suitable for office, portacabin, home, showroom and workshop use.

Manufactured to rigorous standards and fitted with a safety tip-over switch. Features full thermostatic heat control that cuts power to the heater elements when pre-set temperature is attained.

Elements designed to maximize area of the heated surface in order to transfer more heat to the atmosphere.

Fitted with castors for added mobility.

Size (W x D x H): 480 x 240 x 624mm.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
