Description

Seasalt Touchstone Very Clever Gloves Andrena Aran Dahlia Mix

Stay connected while keeping your hands warm this winter with our clever touchscreen gloves, made from a soft and cosy merino blend.

The thumb and forefinger are knitted with a special metallic touchscreen-sensitive yarn, so you can keep using your smart device without taking them off.

Please note, if you have a thick screen protector this could affect how well your gloves work with your phone.

One size only. Hand wash in cold Water.
