Description

Britains JCB Union Jack AgriPro Loadall 1:32 Scale

The limited edition JCB Union Jack AgriPro Loadall, presented in a specially designed pack has been created to celebrate JCB's 75th Anniversary in 2020.

Features a special decal with JCB's 75th anniversary logo, the bucket is interchangeable and can be swapped for the pallet fork set and fork with grab included.

An authentic die cast metal & precision moulded plastic, JCB 'Midi Excavation Digger with accurate detailing and active working parts.

Featuring rolling tracks, a rotating cab with extending arm and pivot bucket alongside a movable front blade, this is the perfect piece of equipment for any budding farmer to get to grips with those large scale farm tasks and sure to provide many hours of creative role play.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
