Description

Britains Valtra T254 Metallic Orange Tractor 1:32 Scale

The Britains model doesn't stint on detail: superb metallic finish replicating exactly the same colour as the real tractor.

Removable cab to allow you to drop in one of your **sitting drivers** (sold separately), working steering and an A-frame front hitch.

Can be complemented with other Britains scale 1:32 attachments due to the unique hitching system and sure to provide great creative play for hours.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
