

Faithfull FPPSLT70V LED Twin Tripod Site Light 70W 240V

39-54514

Our Price: £109.99

Description

Faithfull FPPSLT70V LED Twin Tripod Site Light 70W 240V

Designed for commercial and domestic use, both indoor and outdoors, this twin site light features the latest LED lighting technology.

Each head contains an SMD LED unit that provides a high light output of 3,600 lumens with the added advantage of a low power consumption and a cool running temperatures.

They are maintenance free and more resilient to impact damage that can cause conventional halogen tubes to fail.

The lamp heads are fully adjustable and come mounted on a sturdy floor stand which can either be used as a pod light or mounted directly on to the telescopic tripod via the quick release mechanism.

Two twist grip locks enable the light height to be quickly adjusted between 1,070mm and 2,060mm.

Supplied with 2.5m of cable fitted with an approved BS plug.
