Description

Hunter Men's Balmoral Adjustable 3mm Neoprene Wellington Boots Dark Olive

Exclusively developed for Hunter, the Balmoral Side Adjustable boot features a performance Vibram® sole offering enhanced shock-absorption, while multi-directional cleats are designed for grip & mud-release.

Built with specialised technical elements, the boot is handcrafted from a soft rubber compound for comfort and durability.

Supplied with 3mm and 5mm moulded insoles to customise the fit of the boot and ease foot fatigue.

UK Sizes: 6 - 12. Regular Fit.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
