Our Price: £74.99

Description

Hozelock Advanced Hybrid Tuffhoze 25M

Tuffhoze is a hybrid garden hose, combining the best of PVC & textile hose technology to create a product that is lightweight, amazingly flexible & super tough.

Ideal for general garden use, it is easy to manoeuvre and coil, so can be simply wound onto a reel or cart. Please click [HERE](#) to check if your reel/cart is compatible or if you need an adaptor.

Fully compatible with all Hozelock quick connect accessories as well as suitable for use with domestic pressure washers.

Supplied complete with connectors and a 30 year guarantee.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
