Description

Hozelock 2274 Indoor Mixer Tap Connector

Designed to provide a leak-free connection to a wide variety of square, round and mixer taps, an innovative solution to access your water supply where there is no outside tap or it is temporarily out of use.

Compatible with taps up to 43mm high by 34mm wide and recommended for use with the Hozelock quick connect system.

Simply fit & twist into place, an extremely handy accessory to have in the home as well as for small holders & equestrians when everything outside is frozen.
