Description

Milwaukee M12SI-201C 12V Cordless Soldering Iron 1 x 2.0Ah Li-ion

Milwaukee M12SI-201C 12V Cordless Soldering Iron 1 x 2.0Ah Li-ion

New To Ernest Doe!

The Milwaukee M12 SI Cordless Soldering Iron has a quick heat up time, ready to use in under 30 seconds. With 3 locking head positions: 0°, 45° and 90°. For work in multiple orientations. Temperature monitoring to maintain heat throughout the toughest of applications.

Dual colour LED lights notify the user to the following: flashing green when tool is heating up, solid green when the tool is ready for operation and solid red when the tool is off but the tip is hot to touch. Red light remains on until the tip is cool. The tips can be easily replaced, with no additional tools required.

Flexible battery system: works with all Milwaukee® M12™ batteries.

M12 SI-201C: 1 x 12V 2.0Ah Li-ion Battery
M12 SI-0: Bare Unit, No Battery or Charger

Specification:

Heater Power: 90W

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
