Description

Portek PowerStrim 4 Universal Replacement Strimmer Head

Fits all straight shaft anti-clockwise rotation brush cutters and strimmers designed to take a steel blade.

Designed, engineered and rigorously field tested to ensure a balanced and low vibration.

These rugged, hardwearing heads have been specifically developed to provide a simple, economical alternative to the conventional nylon line heads.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
