## Description

### Built to Last

The Virtue 46 SMP LV is engineered for durability, featuring a protective front bumper to safeguard the deck, robust aluminium wheels with smooth-running ball bearings, and heavy-duty quick-release handles for added convenience and longevity.

Weibang Mulch Mower Bumper

### High-Quality Steel Deck

Crafted from rolled steel, the deck on this mulch mower is expertly designed to deliver outstanding mulching performance. It holds the grass inside the deck, finely cuts it, and evenly distributes the clippings back onto the lawn for a neat, nourished finish.

Weibang PRO Mulch Mower Deck

### Adjustable Cutting Height

The Weibang Virtue 46 SMP LV offers precise control with **11 cutting height settings**, easily adjusted using a single, conveniently positioned lever on the side of the mower deck – making it simple to achieve the perfect finish for your lawn.

**High Performance Mulching Blade** – The specially designed blades fitting to the Weibang Virtue mulching mowers help to generate the perfect airflow for the grass cuttings to be held within the deck to be cut into very small pieces

Weibang Mulching Blade

**Aluminium Crankshaft Protection** – The Virtue 53 SM PRO is equipped with a crankshaft protection system which helps to protect the crank from damage should the mower blade strike a hard object
