Description

Horselyx Respiratory Mini Lick Balancer 650G

For all horses, all year round, providing a multitude of health benefits such as balance any nutrient deficiencies, enhance saliva production and support digestive system.

Respiratory Balancer is designed to provide a two-pronged approach in supporting a healthy respiratory system.

Ingredients such as menthol, eucalyptus and aniseed support the airways, whilst the high specification balancer package helps to maintain immunity.

In addition, licking takes time and patience which is ideal for horses that are stabled for long periods of time.

Pot is not designed to be left unattended with a horse.
