Description

Solorake Humane Mane & Tail Thinner

Sologroom's Solorake is a unique, double headed grooming rake, perfect for removing winter coats fast and painlessly.

As you comb a pet's coat, horse's mane or tail, the rake easily removes hair.

Rounded tooth combs lift coat evenly for clipping, removing tangles and dead undercoat.

Ideal for shaping, finishing, thinning and creating a hand stripped look.

Ergonomically designed with rubber grip handle for a comfortable working feel plus 9 & 17 teeth blades to accommodate both thick & average manes & tails.
