Saddlers Hi Strength Long Handled 4 Prong Manure Fork

41-77601P

Description

Saddlers Hi Strength Long Handled 4 Prong Manure Fork

Exceptionally strong, this Saddlers manure fork features specially shaped tines to make light work of all your heavy jobs.

Equipped with an extra long handle to prevent the need for excessive bending, the fork is well balanced for all types of work around the stable & yard.

Ideal for carboard, straw & chopped straw bedding as well as skipping up the muck heap.

An absolute must for any equestrian or small holder.

Available in Grey & Pink.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
