Stihl PG10 Classic Secateurs

SQ-00008813604

Description

Stihl PG10 Classic Secateurs

These Stihl PG10 Classic Secateurs are brilliant for cutting branches up to 20mm in diameter.

Practical and professional, the body is aluminium coated body for added sturdiness and the handles are ergonomically designed for year round comfort, even in cold weather.

Finished with a simple single hand-clasp for ease of use and to keep your fingers safe, the ideal choice choice for any fledgling gardener & shed this season.

To keep your garden looking neat and tidy this season, why not browse more Garden essentials in our extensive **Hand Tools** range.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
