Description

The Bosch EasyAquatak 120 High-Pressure Washer is the perfect option for those with a variety of cleaning needs. The compact design means that this model is both quick and easy to use, while the efficient 1500w motor gives 120 bars of pressure to provide you with all the power you could need.

The ideal solution for cleaning patios, cars, driveways and garden furniture, the EasyAquatak is just the tool for all your cleaning tasks. Gone are the days of scrubbing the patio for hours to get rid of that build up.

Designed with convenience in mind, the Bosch EasyAquatak 120 features impressive compact design, with a wide base and low centre of gravity for stability in use. The supplied accessories can be stored on the unit itself, so you won't have to search low and high to track them down, and switching from one cleaning task to another will be almost effortless thanks to the push-fit connections.

Included with this model is the fixed fan jet nozzle, the rotary nozzle, and the high-pressure detergent nozzle.

Bosch's tools come with a two year warranty which can easily be extended to three years simply by registering your product with the MyBosch website within 28 days of purchase.
