Description

Cuprinol Ultimate Garden Wood Preserver 4L

Cuprinol Ultimate Garden Wood Preserver has a superior formulation that works in 3 ways.

UV filters give long lasting colours for up to 5 years, added waxes & resins provide advanced weather protection and active ingredients penetrate deep into the wood top protect against rot, decay and blue stain.

Can be used on all types of rough or planed wood such as sheds, fences, summerhouses, gates and arbours.

Quick drying in just 2-6 hours.

Coverage per Litre: 5m2. Apply a minimum of two even brush coats to give a uniform finish.

Colours available: Country Oak, Spruce, Autumn Brown.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
