

Fenceman Super 6 High Performance Electric Fence Polywire 500M

EF-156420

Our Price: £27.54

Description

Fenceman Super 6 High Performance Electric Fence Polywire 500M

Ideal for equine and livestock, this high quality Polywire is ideal for use with perimeter fencing to prevent chewing and/or leaning through as well as keeping horses away from barbed wire.

Featuring x6 strands of long-life stainless steel for maximum conductivity, it is extremely flexible and lightweight to work with.

We stock a huge range of agricultural & equine products to suit your needs so why not click [here](#) to view the latest range.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
