Our Price: £209.99

Description

Hozelock 2595 Auto Reel with Hose (40m)

The Hose that puts itself away, this enclosed Compact Reel is assembled with 40m of Multi-purpose Hose.

Strong & robust, it will withstand hard-wearing gardening tasks time after time and features a clever mechanism that automatically rewinds your hose without any effort!

Clean, tidy & protected, the Auto Reel neatly stores and protects the hose in a tough, UV resistant Polypropylene case, ensuring the hose remains protected.

Other key benefits includes all the necessary parts you need to get watering straight away plus a wall bracket that allows the Auto Reel to pivot 180° so you can reach every part of your garden.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
