

Draper 165bar Pressure Washer 2100W

41-75467

Our Price: £250

Description

Draper 165bar Pressure Washer 2100W

Powered by an induction motor, this pressure washer is perfect for trade use, as well as for cleaning patios, cars, caravans or worksites.

The brushless motor means the machine has better longevity, is more efficient and requires less maintenance. This washer features a telescopic handle and large wheels, which make it easy to manoeuvre. The 6m high pressure hose is conveniently stored on an integrated reel with a winding handle, making this washer tidier and safer when not in use. The total stop device is designed to save water, thus prolonging the life of both the pump and the motor. Included in the kit is a patio cleaning attachment with a pivoting joint that facilitates use on both horizontal and vertical surfaces. Cable length 5m.

Contents:

- 1 x 230V Pressure washer, 165bar
- 1 x Spray Gun with stainless steel lance
- 1 x Fixed brush
- 1 x High pressure hose, 6m
- 1 x Patio cleaning attachment
- 6 x Nozzles (including turbo nozzle)
- 1 x Integrated detergent bottle
- 1 x Cleaning pin
- 1 x Inlet filter
