Our Price: £396

Description

Draper 195bar Pressure Washer 2500W

Powered by an induction motor, this pressure washer is perfect for trade use, as well as for cleaning patios, cars, caravans or worksites.

The brushless motor means the machine has better longevity, is more efficient and requires less maintenance. This washer features a carry handle and large wheels, which make it easy to manoeuvre. The 8m high pressure, steel armoured hose and the stainless steel lance ensure this machine is robust enough to withstand regular use on site. The hose is conveniently stored on an integrated reel with a winding handle, making this washer tidier and safer when not in use. The total stop device is designed to save water, thus prolonging the life of both the pump and the motor. Included in the kit is a patio cleaning attachment with a pivoting joint that facilitates use on both horizontal and vertical surfaces. Cable length 5m.

Contents:

- 1 x 230V Pressure washer, 195bar
- 1 x Spray Gun with stainless steel lance
- 1 x Fixed brush
- 1 x Steel armoured hose, 8m
- 1 x Patio cleaning attachment
- 6 x Nozzles (including turbo nozzle)
- 1 x Integrated detergent bottle
- 1 x Cleaning pin
- 1 x Inlet filter
