

Karcher 1L Water Softener Solution

KR-6.295-625.0

Our Price: £12.53

Description

Karcher 1L Water Softener Solution

Scale inhibitor for hot water high-pressure cleaners with integral corrosion protection, especially for use in new HDS units with System Care options. The System Care Advance formula offers improved protection against limescale deposits on heater coils (up to 150 °C) and provides integral corrosion protection for components in contact with water. Suitable for use in any Karcher hot water pressure washer.

We are an authorised Karcher dealer and can provide full service back up and maintenance for your Karcher equipment.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
