Sealey AK8378 4pc High Leverage Pliers Set

Suitable for Professional use, these high leverage Pliers are manufactured from drop-forged chrome vanadium steel for long term and hardwearing use.

Include: 190mm Heavy-Duty Side Cutters, 200mm Combination Pliers, 200mm Long Nose Pliers & 250mm Water Pump Pliers.

Finely ground polished heads.

Serrated jaws and precision ground cutting edges, induction-hardened 55-65 HRC for cutting hard and soft wires.

Unique teeth and jaw design on water pump pliers increases torque and grips round, flat, square and hex profiles.

Dual material comfort grip handles and black oxide finish for corrosion resistance.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
