Description

Guardian Horse Riding Helmet 'Help-Me' Badge

Providing a feeling of safety when riding in isolation or hacking outdoors, this innovative & inexpensive helmet clip will allow first responders to notify your emergency contacts and co-ordinate rescue efforts.

Working in partnership with the free **Guardian Horse App**, the user firstly registers online with personal details & emergency contacts.

Attach the clip to the harness section of your riding helmet or armband and in case of an accident, your personal information can be accessed in three easy steps:-

1. Hold a mobile phone camera over the QR Code followed by tapping the gh-help.me link.
2. Enter the PIN number on the reverse of the TAG and LOG IN.
3. All emergency information such as contacts and medical details will immediately become available.

If the camera function is not working, type the gh-help.me function into your mobile browser and enter the ID & PIN on the reverse of the tag.
