sku - MA-SXG

Description

Iseki SXG323+ Low Dump

The SXG Range is the ultimate in cut and collection mowers, with the ability to perform exceptionally even in the wet conditions, allowing you to work without the weather restricting you. Whether you are mowing your lawn, an estate or numerous contracts the versatile ISEKI SXG range of mowers cut and collect leaving a superior finish.

Designed, engineered and built in Japan to offer the most reliable, high quality diesel mower on the market for the most demanding of users.

For more information on the Iseki SXG range, you can view the brochure [here](#)

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
