Description

Sealey Combination Spanner Set 25pc Metric

This combination set is manufactured from Chrome Vanadium steel for extra strength and durability.

One of the best sets to have to hand, these Siegen Hand Tools are designed for everyday light trade or DIY use with clearly marked sizing for easy recognition.

Hardened, tempered and nickel chrome plated for corrosion resistance with a fully polished mirror finish.

Designed with open end and twelve point WallDrive® ring combination.

Supplied in storage/carry rack.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
