## Description

### Sealey RS125 12V/24V RoadStart Emergency Jump Starter

Composite case with battery clip storage lugs and carry handle. Suitable for starting vehicles at 12V with 8 cylinder petrol engines up to 8L and 6 cylinder diesel engines up to 6L. 24V with 8 cylinder petrol engines up to 4L and 6 cylinder diesel engines up to 3L. Easy-to-read, colour-coded analogue gauge measures battery condition and charge indicator. Audible warning system for polarity protection. Positive cable fitted with protection against reverse charging from the vehicle. Test cycle button gives true battery indication. 230V Charger with automatic power cut-off prevents damage to battery whilst charging from the mains. Fitted with a power socket that will accept any 12V device with a vehicle accessory socket plug. Supplied with mains charger.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
