

Rolson 5pc 200mm Engineers File

39-07056

Our Price: £10

Description

Rolson 5pc 200mm Engineers File

The Rolson 5pc 200mm Engineers File is manufactured from high carbon alloy steel, made for hardwearing and long term use. The rubber cushion grips are perfect for keeping your hands in tidy condition, coming with hanging holes so you can keep these in order in your workshop, close to hand if needed. File blades measure 200mm (8") in length.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
