Toro 21836 eMulticycler 36cm Battery Lawnmower

WY-MW21836

Description

Ideal for lawns up to 200 square metres, the Toro eMulticycler™ 36 cm Battery Mower starts with the push of a button and can be set for bagging or recycling. The 36 cm cutting width covers a lot of ground while maintaining excellent manoeuvrability.

The Flex Force Power System™ includes a 600W brushless 60V MAX* motor, free of engine exhaust emissions. The RunSmart™ Software maximises run time and performance by automatically adjusting the speed of the motor to match the conditions.

The upright SmartStow® feature saves storage space and provides easy access for cleaning under the deck. Best of all, your 60 Volt battery is compatible with all the other products in the Flex-Force battery-powered line-up.

L135 battery (2.5 amp-hour, 135 watt-hour) and charger included.
