# Stiga SC 100E Cordless Pruner Kit

MT-STSC100E

Our Price: £149

## Description

Are you looking for a gardening tool to prune bushes, flower-beds and hedges? The STIGA SC 100e kit pruning shears are the perfect garden solution.

The ergonomic design makes the new STIGA battery pruner both functional and comfortable to use allowing you to work efficiently and quickly without any muscle fatigue. Solid, well balanced and equipped with a non-slip handles, this latest generation pruner offers high safety security thanks to a button with an easy lock-off system and standby/lock-off software.

You can digitally adjust the SC 100e kit to three blade opening settings for varying branch diameters – 15, 20 and 30 mm. Its high-quality carbon steel blades are extremely sharp, and capable of making a clean and precise cut.

Powerful, yet quiet thanks to the STIGA ePower 20V 2Ah battery (included) the SC 100e pruning shears is also compatible with a 4Ah battery – it ensures efficient smart energy management and run times, adjusting the power demand to the job in hand and can perform over 2,000 cuts on a single charge. Featuring a 500W brushless motor that offers enhanced performance and greater efficiency and durability than a traditional brushed motor. .

Designed to meet various needs and simplifying different gardening activities, the STIGA ePower 20V batteries can also be shared among a series of lightweight and easy-to-use tools. With the 20V system, the “intelligent” battery recognizes the product in which it is used and sets the appropriate working parameters autonomously. It adapts by optimising the operating range for each product, thus maximising battery life.

A 5-year manufacturer’s warranty is included with this model (T&C’s apply).

Attributes

Technical Data	
Series	Series 1, ePower 20V
Power source	Lithium-ion battery
Power	0.5 kW
Battery Voltage	20 V
Battery capacity	2 Ah
Charging time (single standard charger)	70 m
Battery kit	Included
Blade material	Steel
Maximum branch diameter	30 mm
Adjustable working width	Yes
Pack weight	2.9 kg
Product weight without battery	0.86 kg

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
