New Holland Men's Combined Pile Softshell Jacket

CW-NHA1000M-MP

Our Price: £42

Description

New Holland Men's Combined Pile Softshell Jacket

Constructed in 370g/m² 3 layer bonded fabric, a dynamic looking combed softshell jacket with design features to maximise comfort and performance.

Including distinctive and decorative variegated panelling to the body and sleeves, this jacket provides superb protection against wind and showers without compromising on style.

Available sizes: M-2XL.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
