Where you can buy with confidence

Our Price: £1260

Description

Advanced technology for your lawn

These latest Euro 5-compliant four-stroke engines provide class-leading power and torque, with improved fuel efficiency and easy starting even after winter storage. The reduction in parts and the engine redesign has this lawnmower up to 2kg lighter than its predecessor.

These changes have resulted in increased power, fuel efficiency, reliability and manoeuvrability.

Honda HRX 476 VY Self-propelled Petrol Lawn Mower

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
