Portek LaserStrike Handheld Silent Bird Scaring Laser

With its advanced laser technology, LaserStrike is the ultimate silent bird scarer!

The LaserStrike uses optical quality precision lenses and components and has been specifically developed for use as a safe, effective and silent, bird-scaring tool.

Ideal for agricultural use in built-up areas and buildings where loud noises are a problem to livestock and the general public.

Designed to scare and clear birds at close range and at distances of up to 600m and tests show repeated use over 3-10 days substantially reduces or eliminate the target species

Most effective when used in low light conditions (*ie: winter*) and at dawn and dusk when the birds are most active.

Occasional follow-up maybe required to maintain deterrent effect.

This LaserStrike includes a 1 year manufactures warranty.

INTENDED ONLY AS A BIRD SCARING DEVICE FOR PROFESSIONAL USERS – KEEP OUT OF THE REACH OF MINORS!
