

# Tornado Diamond 200M Galvanised Barbed Wire

40-00056

Our Price: £68.6

## Description

### Tornado Diamond 200M Galvanised Barbed Wire

High tensile barbed wire, commonly used to protect fencing from downward pressure by animals. Strains tighter than mild steel, requiring fewer intermediate posts for quicker erection. Will not stretch with weathering so does not need to be re-tightened annually. Heavily galvanised for optimum life. Provides vital protection for fencing.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
