Description

Weedol Pathclear Weedkiller - 25ml x 18 Tubes

Long lasting weed control across a wide range of annual and perennial garden weeds .

Creating an invisible barrier in the top soil layer, kills established weeds and grasses down to the root and prevents new weeds from germinating for up to 3 months.

Ideal to control weeds on gravel paths, drives, along walls and fences. Can also be used around established trees and shrubs with care taken around the foliage and trunk.

For most effective use, apply between **March – September**.

Can be applied using a domestic sprayer or watering can and once the treated area is dry, safe for children and pets.

18 x 25ml tubes covering 360m².

Take care not to apply to lawns or plants you wish to keep!
