Description

Kramp Multi-Purpose Traffic Film Remover Concentrate 25L

Removes dirt and grime from the exterior surfaces of agricultural and industrial vehicles and equipment.

A powerful blend of surfactants with water softeners and alkalis to loosen and remove soiling.

Features a special wax additive to give a superior finish on high gloss surfaces.

Works well in both hard and soft water areas. Can be used with hot or cold water.

Recommended working concentration: 1% with hot or cold water for light contamination, 2.5% for strong contamination.

Not suitable for galvanised surfaces (high pH).

Phosphate free and biodegradable.
