Description

Bosch Easy Mower 18v-32-200

The EasyMower 18V-32 is a lightweight cordless lawnmower designed for easy care of smaller gardens. It features a powerful 18V battery with an advanced battery management system for longer runtimes, enabling cordless freedom without sacrificing power or efficiency.

The product features an easy to use axle adjustment height of cut system, with 3 settings; 20, 40 and 60 mm for all year round cutting. Grass combs ensure a clean trim along walls and edges for quick and easy results.

The tool belongs to the POWER FOR ALL ALLIANCE. One battery can operate a large variety of tools from different brands.
