Husqvarna 120iBV Blower/Vacuum with battery and charger

HV-120IBVKIT

Description

2-in-1 tool for a seamless switch between leaf blower and leaf vacuum

Tackle leaves with the multi-purpose and multi-speed 120iBV cordless leaf blower. Easy transition from blower to vacuum without using a tool, a brushless motor for optimised runtime and power, and a compact size, padded harness and balanced body for greater manoeuvrability, productivity and less fatigue.

Enjoy an intuitive operation with ergonomic handles and a ruggedised digital interface. This leaf vacuum is part of the Husqvarna BLi 36V battery system. Ideal for any small-to-midsized task.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
