

Vitax SBK Brushwood Tough Weed Killer

31-60195P

Our Price: £13.49

Description

Vitax SBK Brushwood Tough Weed Killer

Vitax SBK is a selective weedkiller for brambles, nettles, dock, woody weeds, hardwood saplings, tree stumps in grass and other neglected non-crop areas.

Specially formulated to kill weeds without harming grass, it can be safely used on lawn and turfed areas.

Apply from May to October (June to August for woody weeds) when the soil is moist and weeds are actively growing. For tree stumps, apply Autumn or Winter, avoiding April-June when the sap is rising.

Allow at least six weeks between application and replanting or re-treatment.

Available in 500ml and 1 Litre sizes in either a domestic sprayer or watering can. 1L treats an average area of 332m².

Safe for children and pets once treated area is dry. Grazing animals should be restricted until foliage of poisonous weeds have died down and unpalatable.
