

Stihl TSA 230 Cordless Cut Off Machine

SH-48640116600

Our Price: £456

Description

TSA 230 CORDLESS CUT-OFF MACHINE: BATTERY-POWERED WITH 9" CUTTING WHEEL

This 9" cordless cut off machine is part of STIHL's AP System. Cutting neatly and swiftly up to 70mm deep, the TSA 230 is ideal for cutting roofing tiles, bricks, metal and paving blocks. It is particularly light at only 3.9 kg (without battery). Emission-free cordless technology benefits both the operator and environment whilst allowing the tool to be operated indoors and outdoors. The water connection and vacuum accessories ensure effective dust control when cutting. Supplied with an abrasive wheel for cutting steel.

- Individual tool without battery and without charger
- Powerful cordless cut-off machine
- For use in building construction and civil engineering, as well as in the home and garden
- Energy-efficient, low-maintenance engine
- Straightforward cutting wheel replacement
- For 230 mm cutting wheels
