Our Price: £179.99

## Description

### Battery leaf blower with three power modes and smart storage

Make the garden cleaning easy and efficient with Husqvarna Aspire™ B8X-P4A – an 18V battery-powered leaf blower designed to offer compact performance and smart storage. Thanks to its 3-step adjustable speed settings, it handles anything from delicate flower beds to wet leaves on the lawn.

The comfortable soft grip handle and well-balanced, lightweight design make the leaf blower easy to use. Like all tools in the Husqvarna Aspire™ range, it has a sleek black design complemented by orange details that intuitively guide you to all interaction points.

Storage in tight spaces is facilitated by the compact size, the included tailor-made hook, and the removable tube.

The 18V POWER FOR ALL ALLIANCE battery system offers both flexibility and less storage since one battery can be used for several tools and gardening brands.

# Husqvarna Aspire™ B8X-P4A
